4th Week of the Quarter

*"Every morning, lean your elbows awhile on the windowsill
of heaven and gaze upon the Lord; then turn strong to
meet your day."*

"CHAPEL: A FULLER SERVICE OF WORSHIP"

The Ten O'Clock Events For The Week
Pasadena Presbyterian Church Sanctuary

MONDAY: Prayer and Fellowship Groups.
(See "Items of Interest" for listing
of individual groups.)

TUESDAY: Community Day. All offices and the library will be closed
so that we can participate together in our Staff Appreciation
Day. There will be a number of interesting events in honor
of the staff, including a message from Dr. John Watts. This
is a real opportunity for our community to express our mutual
dependence on each other and our love.

WEDNESDAY: Fuller Seminary Interns. One of the thrilling ministries of
our Student Body is the sending out each year of a number of
missionary interns who are partially supported by our gifts.
Five students will share their summer experiences with us,
and challenge us to a greater outreach. The Mission Concerns
Committee is in charge of this service.

THURSDAY: Fred & Carolyn Keefe will be leading a worship service. Fred
& Carolyn are from Springfield, Pennsylvania, where together
they have a teaching ministry in Bible study and preaching.
Fred has spent 25 years in the United Presbyterian Church
ministry. He taught at Lincoln University for nine years and
at the Conwell School of Theology (Temple University) for
seven years. The Keefes will be with us until the 21st, and
several other activities are planned to give us an opportunity
to get to know them. We welcome the Keefes to our campus!

FRIDAY: Convocation. C.S. Lewis will be the center of a discussion
led by Carolyn Keefe. Carolyn is an Associate Professor of
Speech Communication and the Director of Forensics at West
Chester State College. She is the editor of C.S. Lewis:
Speaker and Teacher, and the author of Freedom for Me and Other
Human Beings.

The SEMI is published by the Student Services Office on Friday of each week as a service to the Fuller Community. Notices
may be submitted to the editor (Student Services Building, #120, 2nd floor) until 4:00 p.m. on Tuesday of the week prior to
publication. No late notices, and no artwork can be accepted. Users are encouraged to submit notices no longer than 10
lines. Final editorial control rests with the Director of Student Services, Cecil M. Robeck, Jr. For further information,
please contact the managing editor, Diane Hollis (x. 159).

SPECIAL ANNOUNCEMENTS

In keeping with our call to be faithful servants and yet good stewards of our limited resources, we are hoping to produce the SEMI in a serviceable format which will communicate with both brevity and clarity. To this end, the following policies governing the SEMI and various campus bulletin boards have been adopted for the academic year 1979-80. The coming weeks will see various changes in the SEMI format. We also expect to have all Bulletin Boards clearly marked and monitored within a very short time. We would be pleased to receive any suggestions you care to submit in written form which might better help us to achieve these goals.

Cecil M. Robeck, Jr.
Director of Student Services

SEMI POLICIES:

1. The Director of Student Services reserves the right of editorial control. Thus, some notices may be rewritten to conform to the needs of brevity and clarity dictated by the format of the SEMI.
2. Advertisements from outside the Fuller Community will not be accepted unless they are deemed by the editor to be a service provided to the Fuller Community or a significant constituency of the Fuller Community.
3. Advertisements from within the Fuller Community will not be accepted if there is a bulletin board provided on the Seminary grounds which is clearly designated to be used for the item or service advertised.
4. Notices of upcoming events will be published two weeks in advance of the event, and one week in advance of the event. In the case of events having a singular impact upon the general welfare of the Fuller Community or a significant constituency within the Fuller Community, exceptions can be made at the discretion of the Director of Student Services (e.g., notices for polity exams).
5. All cost centers will be encouraged to submit notices no longer than 10 lines. In the event that an individual cost center wishes to place a notice of $\frac{1}{2}$ page (30 lines) or more, the cost center submitting the notice will bear the cost of publishing the information (e.g., D.Min. lists of participants).
6. In the interest of saving space, no artwork will be accepted.
7. Notices may be submitted to the Director of Student Services until 4:00 p.m. on Tuesday of the week prior to publication. No late notices will be accepted. This policy guarantees that the SEMI can be written, typed, proofed, and run by Friday each week.
8. Notices of 30 lines or longer will be placed at the end of the SEMI in a supplemental section which will be marked as the SEMI SUPPLEMENT. All such notices must be received in camera-ready final form.

BULLETIN BOARD POLICIES:

1. The Director of Student Services reserves the right of management for all bulletin boards and easels on the main floor of Payton Hall and surrounding areas. This includes judgments regarding the appropriateness of items placed on these boards, as well as the designation of specific boards to meet specific needs.
2. All boards are to be monitored on a regular basis by the Director of Student Services, or a person designated by the Director.
3. All boards are to be equipped with a Title, Purpose Statement, and a brief Statement of Policy.
4. The Policy Statement may vary on each board, depending upon the purpose of the specific board.
5. All notices must be signed (first initial, full last name, and box number or address) and dated at the time they are posted. NO unsigned notices will be allowed.
6. Notices placed on boards other than those designated for the use of specific cost centers, official committees, the Board of Declaration, or Want Ads, must be submitted to the Director of Student Services for approval.
7. The Director of Student Services reserves the right of editorial control on such notices as fall under #6 above.
8. Users of the SEMI will be encouraged to use the Bulletin Boards whenever possible.
9. Bulletins on other than approved boards will be removed (e.g., walls, windows, doors, etc.)
